0900 hours: No-host sailors breakfast

1300 hours: Championship Race #7

1600 hours: Hosted Awards Party, Tented Pool Patio

Those of you that have not raced in Santa Monica Bay before may not realize that the sea breeze takes a while to fill in so that is the reason for the late starts, but as you can see they intend to keep us out there for a while with two long races each day. Once the breeze does fill in it is a steady 10 to 12 knots. It's racing in t-shirts and shorts, SoCal style!

This event should not just be about the competition though. It's a great opportunity to meet fellow J105er's from all over the continent. Cal Yacht Club is never out done when it comes to the social side of things:

**Food-Beverage:** No-host sailors breakfast each race day in tent, Thursday through Sunday of North Americans. This breakfast will be a low cost buffet for competitors in the tent. Beer and light hors d'oeuvres (guacamole & chips) will be provided after each race day on the docks when boats arrive from course. A Friday "Taco Construction buffet" will be presented under the tent (cost to be included as part of the entry fee for six (6) crew per boat). A Saturday pasta buffet dinner will be presented under the tent (cost to be included as part of the entry fee for six (6) crew per boat). Tickets will be available for sale for significant others. The Sunday afternoon awards party will be scheduled before competitors hit the road. Complimentary heavy hors d'oeuvres and beer/wine will be served.

**Welcome Party:** Wednesday welcome party with hors d'oeuvres, hosted beer, and no-hosted cocktails on the front lawn under the flagpole at 1900 hours just after the practice racing. No special opening ceremony procedures are desired, just a couple brief welcome speech by ranking Class officials, the PRO, jury introduction, and then food/beverage
